Rev up your omics workflows!
Friday July 5th - SICHH et blueFACTORY
Passage du Cardinal 13B, CH-1700 Fribourg - On the parking

YOUR PIT STOP FOR BETTER PRODUCTIVITY
MEET OUR EXPERTS IN THE MOBILE LAB

Friday July 5th - from 11:00 to 16:00

All day long: Open access and demonstrations

- Medium to high throughput DNA / RNA extraction and automation benefits
- DNA / RNA quality control and quantitation
- NGS library preparation
- Better LC/MS/MS detection for your applications
- Optimized biotherapeutics workflow
- How Liquid handling automation improves reproducibility
- Analytical and life science solutions
- Advanced genomic analysis powered by SOPHiA

Tour dates at perkinelmer-appliedgenomics.com/roadshow

In collaboration with SOPHiA™
SOPHiAGENETICS.COM

For research use only. Not for use in diagnostic procedures.
In the mobile lab you have the opportunity to learn about the latest genomics and proteomics automation innovations designed to improve the efficiency of your workflows and increase your productivity. You will be able to test drive the following instruments:

### GENOMICS
